

**MADRASAH ALSAGOFF AL-ARABIAH**

Secondary Two Scheme of Work

CHEMISTRY and BIOLOGY

2021

| Term | Week     | Subject                                     | Chapter | Chapter Title                  |
|------|----------|---------------------------------------------|---------|--------------------------------|
| T1   | W1 – W2  | Chemistry                                   | C7      | Writing Chemical Equations     |
|      | W3 – W4  | Biology                                     | B5      | Respiration in Humans          |
|      | W5 – W6  | Chemistry                                   | C8      | Metals                         |
|      | W7 – W8  | Biology                                     | B6      | Nutrition in Humans            |
|      | W9 – W10 |                                             | B7      | Transport in Humans            |
| T2   | W1 – W5  | Revision (C1 – C5 & B1 – B2)                |         |                                |
| T3   | W1 – W2  | Biology                                     | B8      | Nutrition in Plants            |
|      | W3 – W4  |                                             | B9      | Transport in Plants            |
|      | W5 – W6  | Chemistry                                   | C9      | The Periodic Table             |
|      | W7       |                                             | C10     | The Atmosphere and Environment |
|      | W8 – W9  |                                             | C11     | The Mole                       |
|      | W10      | Buffer week / Revision (C9 – C11 & B8 – B9) |         |                                |
| T4   | W1 – W5  | Revision (C6 & B3 – B5)                     |         |                                |
